ADVANCED CARE WITH COMPASSION

Carolina Animal Specialty & Emergency is the premier referral and emergency veterinary hospital that provides the highest level of technologically advanced care with compassion that reaches far beyond the borders of our local community.

Our board certified veterinary specialists can complement your primary care practice to provide treatment for specialty diagnostics, whether it’s an extension of supportive care or an emergency. We have a highly experienced team that is always ready to treat your patient.

EACH CASE IS DIFFERENT

A targeted patient treatment plan will be created in close collaboration with you, no matter how challenging the diagnosis, and throughout the duration of patient care.

We offer a wide range of services and expertise in selected specialties:
